MOHAMMED ALKHATEEB

COMPUTER / CONTROL ENGINEER

ABOUT ME

I'm a software developer with bachelor degree in Computer and Control Engineering. I have experience in web as well as desktop application development. I'm specialized in .Net (Framework & Core) technologies like ASP.Net MVC, WinForms and WPF also I have experience with front-end technologies like JS, JQuery, HTML and CSS. I have worked on several successful projects and I believe that I have what it takes to explore new challenges and thrive in the IT market.
